1. I am come that you might have life and have it more abundantly.
I am come that you might have life and have it more abundantly.
I am come that you might have life and have it more abundantly.
Yet, so many will struggle and choke on the simplest of truths, the simplest truth; the truth that I am, and that I came to give life more abundantly.
2. The life I choose, the life I chose, is in the Father, the Father of light, the Father of life; yea, I came through the Father and the Father and I are one. You and I are one. You and the Father are one. Yea, choose Me, believe in Me. Believe in you, believe in what I am saying.
3. Believe in the works that I did and that you will do more than I did, and that I have given you more to do.
4. I am come that you might have life and have it more abundantly. Abundance means so many things, so many different things to different people, and yet I am abundance, I am life, and I am light; **for I am the Father of One** and **all that He had, all that He has, all that He is, He placed inside of Me and we placed inside of you.** See what I have said, see what I have given. **See that thou art the Christ**, the Son of the living God, the daughter of the living God, and, yea, and in Me there is no shadow or variableness of turning.
5. I am come that **you** might have life and that **you** might have life more abundantly; yea, in Me, for it was already given, and I came and I revealed, yea, the first-born from the dead.
6. Yea, into Me see, see how plain I am making My abundance; and give Me My due, give Me your due, accepting, believing, believing in what I am saying and that the Comforter has come, the Comforter came. Yea, was I not in the Comforter? Was I not in My Father? Are My Father and I not One when we came and we endued with power from on high?
7. Yea, so much has gone on in the name of not-Me, where My name was plastered over what man wanted. But, yea, see into Me and see all I have said and see how I came to give eternal life, yea, in Me, the Father, the Son, you/Us One, in abundance. I love you and I give you Me.
